

Minetec Communications Training Policy

TRAINING POLICY

Minetec Pty Ltd will ensure that all personnel performing assigned tasks are appropriately qualified on the basis of education, training and/or experience.

The Company is committed to the identification and development of those training needs, and to the allocation of resources for training programmes, which can most effectively add value to the Company's operations.

The selection of employees for participation in training programmes will be made in a fair, unbiased and equitable manner.

Minetec Pty Ltd is committed to organising training programs to enhance personnel advancement within the company.

Greg Anderson

A handwritten signature in blue ink, appearing to read 'Greg Anderson', is positioned below the printed name.
